Didn't get it. Have had a few problems with VM not showing up for 24 hours. Not sure what the problem is. I've got 3 fires burning at the moment. Will get back to you shortly.

The status is: I thought you were going to talk to Steve (and Henry possibly) about the dispute resolution issue and then get back to me with their position. I told Suzanne that once I heard back about it, I'd get back to her. I'm not sure how much more review she wants to do on the other comments and changes.
